APC-45

Paper Cutter

Horizon introduces new simple operation electrical powered cutter.

Major Specifications

Cutting Width	Max. 450 mm (17.7")
Cutting Height	Max. 60 mm (2.3")
Feed Depth	Max. 450 mm (17.7") Min. 40 mm (1.58")
Job Memory	30 courses 99 steps Total 300 points
Machine Dimensions	770(W) x 880(D) x 1,510(H) mm (30.4" x 34.7" x 59.5")
Machine Weight	300 kg (661.5 lb)

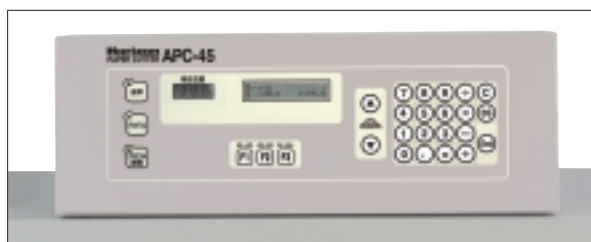

Paper Cutter APC-45

Equipped with frequent job recall function and job memory function, APC-45 provides superior easy operation.

1. The APC-45 is compact electrical powered cutter which employs same cutting functionality as in the large scale cutting machine.
2. Frequent job recall function is provided to maximize operation efficiency.
3. With programming function, the repeated job can be stored into job memory.
4. The foot pedal clamp function enables you to hold paper in position before actual cutting.
5. The knife angle adjustment and cutting depth adjustment can be performed without special tool.

Simple Operation

- ◆ With the simple input of length, the backgauge moves to the position automatically. The frequent job recall function and programming function maximize operation efficiency.

Job Recall Function

- ◆ Frequent job, for example A3 half cut into A4 or A4 booklet trimming, can be recall with push of a button.

Programming Function

- ◆ Repeat job or regular job can be memorized into job memory. The capacity of job memory is 30 courses and 99 steps (total 300 points).

Knife Adjustment

- ◆ The knife angle and cutting depth adjustments can be easily done without special tool from the front side of the machine.

Foot Pedal Clamp

- ◆ The foot pedal is provided as standard function. With the foot pedal clamp, the paper will be clamped firmly before electrical powered clamp. And the cut line can be checked before actual cut.

Manufactured by : Taiyo Seiki Co., Ltd.

The machine design and specifications are subject to change without any notice.
